

square bench

$$\text{Watt} = \text{Kcal/h} \div 0,860$$

$$\text{Kcal/h} = \text{Watt} \times 0,860$$

Prices per item with White RAL 9010 finish – VAT and transports cost not included.

Square BENCH was designed for specific areas inside spas and wellness centres. The external frame is entirely made of carbon steel whereas the internal core (electric heating part) is entirely made of aluminium. It can be electrically connected and equipped with a room thermostat for temperature adjustment, or with a chronothermostat/ weekly programming unit with four customizable settings. The technical specifications for wireless adjustments (thermostat and chronothermostat) are specified in page 200.

As indicated by the marking shown above, Square Bench is an IMQ - ENEC 03 certified product.

ADDITIONAL COLOUR CHARGE

The additional charges are calculated on the base price of RAL 9010.

C0 Category	without any additional charge (RAL 9010)
C1/C2 Category	+15%
C3 Category*	+25%
Colours according to samples	request feasibility and cost estimate
PLATED finishes	NOT available
